## Policy

The Omen is a bimonthly publication that is the world's only example of the consistent application of a straightforward policy: **we publish all signed submissions from members of the Hampshire community that are not libelous.** Send us your impassioned yet poorly-thought-out rants, self-insertion fanfiction, MS Paint comics, and whiny emo poetry: we'll publish it all, and we're happy to do it. The Omen is about giving you a voice, no matter how little you deserve it. Since its founding in December of 1992 by Stephanie Cole, the Omen has hardly ever missed an issue, making it Hampshire's longest-running publication.

Your submission must include the name you use around campus: an open forum comes with a responsibility to take ownership of your views. **Views expressed in the Omen do not necessarily reflect the views of The Omen, the Omen editrix, or anyone, anywhere, living or dead.**

Anyone can submit to the Omen, but you can also become Omen staff! Omen staff consists of whoever shows up for meetings, which usually takes place every Thursday night in the basement of Merrill B (past the laundry room); the only permanent position is that of editrix. You should come and answer the staff question. We don't bite. You can find the Omen on every other Thursday in Saga, the post office, online at <http://expelallo.men>, and just about any other place we can find to put it.
